

# HARENDRA SIJAPATI

Full Stack Developer

9841879765

harendrasijapati@gmail.com

koteshor , kathmandu

## SUMMARY

**Enthusiastic and detail-oriented Full-Stack Developer with 1 year of experience**, successfully completing **10+ projects** across web and software development. Proficient in **React.js, Django, Laravel**, and other popular frameworks and libraries, I specialize in building **responsive, user-friendly interfaces** and developing **efficient server-side logic**.

As a **student and aspiring professional**, I am eager to apply my skills in a dynamic IT environment while continuously learning from industry experts. Passionate about solving complex problems and contributing to innovative projects, I am now seeking opportunities in Nepal's **growing tech industry** to work with leading frameworks and technologies.
